

January 30, 2018

Dear Community Business Partner:

The Therapeutic Riding Center of Huntington Beach (TRCHB) is in the planning stages for its 10<sup>th</sup> Annual Derby Day Fundraiser and we hope that your business will support this exciting event. Last year's Derby Day was an overwhelming success because of the generosity of the Huntington Beach and Orange County residents and businesses. We look forward to surpassing that achievement again this year!

Founded in 1990, TRCHB is an all-volunteer organization that provides Equine Assisted Activities and Therapies (EAAT) to individual who have disabilities. We strive to empower people with physical and developmental challenges to discover their greatest strengths and gain a sense of self-confidence and self-reliance through the special relationship with a horse. One hundred percent of the money raised by our organization goes directly back into supporting our program and students.

Our 10<sup>th</sup> Annual Derby Day Fundraiser is scheduled for Saturday, May 5, 2018 from 1:00 – 6:00 pm located at the Huntington Central Park Equestrian Center. We invite our TRCHB family of students, volunteers, instructors, faithful donors, as well as the community at large, to help make this annual event another success!

This is a wonderful opportunity for you or your business to show your generosity and support for the TRCHB students! We would welcome Sponsorship and/or an item to be used in the Silent Auction. You may contact Donna Brandt, *Event Chair*, at 714.313.0922; Caroline Winnik, *Board Member*, at 714.401.0034; or the TRCHB office at [info@trchb.org](mailto:info@trchb.org).

We will be happy to make arrangements to receive your donated item.

Thank you for supporting us!

Donna Brandt  
*Board President*
